LEFT HAND DOOR
Handing: Look at the door from exterior side. Use the corresponding diagram below to determine the handing of your door.

Left Hand  Left Hand Reverse

Mark centerline of door thickness for 1" [25mm] DIA latch hole.

Be sure the fold is exactly on the edge of door (high beveled edge).

RIGHT HAND DOOR
Handing: Look at the door from exterior side. Use the corresponding diagram below to determine the handing of your door.

Right Hand  Right Hand Reverse

Mark centerline of door thickness for 1" [25mm] DIA latch hole.

Be sure the fold is exactly on the edge of door (high beveled edge).
