

F Note importante

1. La tension d'alimentation doit être suffisante. Voir la notice de raccordement
2. Sélectionner la tension d'alimentation **AVANT** de mettre le verrouillage sous tension
3. Ne jamais percer ni modifier la ventouse et la contre plaque

1. The power supply has to be enough for the electromagnet. Look at wiring notice
2. Select the voltage 12 or 24 V DC **BEFORE** the voltage is applied
3. The armature plate and the electromagnet should no be drilled or modified

Importante notice GB

F Installation type sur une porte en aluminium

Montage pour portes acier

Mounting on metallic door

Montage pour portes alu ou PVC

Mounting on alu or PVC door

Typical installation for aluminium door GB

F Installation type sur une porte en bois

Typical installation for wooden door **(GB)**
