## Sale of dorma+kaba Group's AutoTime software business to Kronos Incorporated is completed

dorma+kaba Group has completed the sale of its AutoTime software and related activities to Kronos Incorporated, Chelmsford Mass. (USA), as all formalities of the transaction have been settled. The intended transaction had been announced on 19 August 2015. The closing of the transaction allows Kaba Workforce Solutions to fully concentrate on its core B-COMM product, which provides connectivity between Kaba's broad range of industrial grade terminals and many of today's leading ERP systems including SAP, Oracle, Axapta, and others. dorma+kaba continues also to design, develop, produce and sell workforce management terminals on a global basis.

### Disclaimer

This communication contains certain forward-looking statements, e.g. statements using the words "believes", "assumes", "expects", or formulations of a similar kind. Such forward-looking statements are based on assumptions and expectations which the company believes to be well founded, but which could prove incorrect. They should be treated with appropriate caution because they naturally involve known and unknown risks, uncertainties and other factors which could mean that the actual results, financial situation, development or performance of the company or Group are materially different from those explicitly or implicitly assumed in these statements. Such factors include:

- The general economic situation
- Competition with other companies
- The effects and risks of new technologies
- The company's ongoing capital requirements
- Financing costs

## Press release

**dorma+kaba**

- Delays in the integration of acquisitions
- Changes in operating expenses
- Fluctuations in exchange rates and raw materials prices
- Attracting and retaining skilled employees
- Political risks in countries where the company operates
- Changes to the relevant legislation
- Realization of synergies
- Other factors named in this communication

If one or more of these risks, uncertainties or other factors should actually occur, or if one of the underlying assumptions or expectations proves incorrect, the consequences could be materially different from the assumed ones. In view of these risks, uncertainties and other factors, readers are cautioned not to place undue reliance on such forward-looking statements. The Company accepts no obligation to continue to report or update such forward-looking statements or adjust them to future events or developments. The Company emphasizes that past results and performances cannot lead to conclusions about future results and performances. It should also be noted that interim results are not necessarily indicative of year-end results. Persons who are unsure about investing should consult an independent financial advisor.

This press release constitutes neither an offer to sell nor a call to buy securities of dorma+kaba in any legal system.
