RÜMLANG 31 JULY 2014 – ACQUISITION OF MAJORITY STAKE IN DORSET KABA COMPLETED

Acquisition of majority stake in Dorset Kaba and three additional businesses completed

Kaba Group completed the acquisition of an additional 25% of shares in Dorset Kaba (India) on 31 July 2014, and now owns 74% of this joint venture. The transaction includes the acquisition of the businesses of Mars Industries Pvt Ltd., Dorset India Pvt Ltd. and Modtech Industries. This concludes the corresponding announcement of 11 June 2014.

Dorset Kaba operates in two product areas within the Indian market – builders' hardware and security systems. Its builders' hardware includes locks, mortise locks, door handles and door closing mechanisms. In the security systems sector the joint venture offers high security cylinders, physical access systems and turnstiles.

All formalities of the transaction have been settled and the Indian authorities have given the necessary approvals for the announced acquisition.

Disclaimer

This communication contains certain forward-looking statements, e.g. statements using the words "believes", "assumes", "expects", or formulations of a similar kind. Such forward-looking statements are based on assumptions and expectations which the company believes to be well founded, but which could prove incorrect. They should be treated with appropriate caution because they naturally involve known and unknown risks, uncertainties and other factors which could mean that the actual results, financial situation, development or performance of the company or Group are materially different from those explicitly or implicitly assumed in these statements. Such factors include:

- > The general economic situation
- > Competition with other companies
- > The effects and risks of new technologies
- > The company's ongoing capital requirements
- > Financing costs
- > Delays in the integration of acquisitions
- > Changes in operating expenses
- > Fluctuations in exchange rates and raw materials prices
- > Attracting and retaining skilled employees
- > Political risks in countries where the company operates
- > Changes to the relevant legislation
- > Other factors named in this communication

If one or more of these risks, uncertainties or other factors should actually occur, or if one of the underlying assumptions or expectations proves incorrect, the consequences could be materially different from the assumed ones. In view of these risks, uncertainties and other factors, readers are cautioned not to place undue reliance on such forward-looking statements. The Company accepts no obligation to continue to report or update such forward-looking statements or adjust them to future events or developments. The Company emphasizes that past results and performances cannot lead to conclusions about future results and performances. It should also be noted that interim results are not necessarily indicative of year-end results. Persons who are unsure about investing should consult an independent financial advisor. This press release constitutes neither an offer to sell nor a call to buy securities.
