

## Media release

# Stefano Zocca to take charge of Key Systems Europe/Asia Pacific

Rümlang, 6 April 2011 – **The Board of Directors of Kaba Holding AG has appointed Stefano Zocca to be the new Head of Key Systems Europe/Asia Pacific and a member of the Group Management Board. He takes up his new post on 1 July 2011.**

The Board of Directors of Kaba Holding AG has appointed Stefano Zocca (48) as the new Head of Key Systems Europe/Asia Pacific and as a member of the Group Management Board with effect from 1 July 2011. He will succeed Roberto Gaspari, who – as announced in October of last year – will take charge of the Business Segment Access + Data Systems EMEA/Asia Pacific from 1 July 2011.

Stefano Zocca brings over twenty years of international experience in sales, marketing, procurement and logistics to the job. Since 1988, he has worked for Whirlpool Europe, a leading manufacturer of household appliances in Europe, where he held various management posts with increasing international responsibility. Most recently, he was General Manager for the Central Europe, Middle East, Africa and Turkey. Stefano Zocca is an Italian national and has a degree in economics from the Bocconi University in Milan (Italy).

In the words of Kaba Group CEO Rudolf Weber: “We are delighted to have found a proven leader for this challenging post in the person of Stefano Zocca. The Key Systems Business Segment will without doubt benefit from his twenty years of international experience and sales focus – I am confident that he will bring new impulses to Kaba.”

This communication contains certain forward-looking statements, e.g. statements using the words "believes", "assumes", "expects", or formulations of a similar kind. Such forward-looking statements are based on assumptions and expectations which the company believes to be well founded, but which could prove incorrect. They involve known and unknown risks, uncertainties and other factors which could mean that the actual results, financial situation, development or performance of the company are materially different from those explicitly or implicitly assumed in these statements. Such factors include:

- > Competition with other companies
- > The effects and risks of new technologies
- > The company's ongoing capital requirements
- > Financing costs
- > Delays in the integration of acquisitions

- > Changes in operating expenses
- > Fluctuations in exchange rates and raw materials prices
- > Attracting and retaining skilled employees
- > Changes to the relevant legislation
- > And other factors named in this communication

If one or more of these risks or uncertainties should actually occur, or if one of the underlying assumptions proves incorrect, the consequences could be materially different from the assumed ones. In view of these uncertainties, readers are cautioned not to place undue reliance on such forward-looking statements. The company accepts no obligation to continue to report or update such forward-looking statements or adjust them to future events or developments, unless required by the law.
