dormakaba holds its Capital Market Day 2017 in London

Rümlang, 6 December 2017 – At its Capital Market Day held today in London, dormakaba will provide an update on its strategy and how it is positioned for the transformation and consolidation in its industry.

CEO Riet Cadonau will give insights into dormakaba's strategy and how it will enable the company to benefit from the current dynamics in the industry. He will be followed by CTO Andreas Häberli who will provide insights into the digital transformation strategy of the company.

CFO Bernd Brinker will talk about the final phase of the post-merger integration until 30 June 2018, which continues to be on track. Further, he will elaborate on portfolio management strategy and how to drive efficiency and competitiveness through enterprise excellence.

Finally, Michael Kincaid, COO Access Solutions Americas, will outline how the merger and the acquisitions of Best Access Solutions and Mesker in 2016/17 have changed the competitive position of dormakaba in the North American market.

dormakaba is also confirming its guidance for the current 2017/18 financial year as well its mid-term targets for 2018/19. The company assumes that the global macroeconomic and geopolitical environment will remain volatile and therefore challenging.

Disclaimer

This communication contains certain forward-looking statements including, but not limited to, those using the words “believes”, “assumes”, “expects” or formulations of a similar kind. Such forward-looking statements are made on the basis of assumptions and expectations that the company believes to be reasonable at this time, but may prove to be erroneous. Undue reliance should not be placed on such statements because, by their nature, they are subject to known and unknown risks, uncertainties and other factors which could lead to substantial differences between the actual future results, the financial situation, the development or performance of the company or the Group and those either expressed or implied by such statements. Such factors include, but are not limited to:

- general economic conditions,
- competition from other companies,
- the effects and risks of new technologies,
- the company's continuing capital requirements,
- financing costs,
- delays in the integration of the merger or acquisitions,
- changes in the operating expenses,
- currency and raw material price fluctuations,
- the company's ability to recruit and retain qualified employees,
- political risks in countries where the company operates,
- changes in applicable law,
- realization of synergies,
- and other factors identified in this communication

Should one or more of these risks, uncertainties or other factors materialize, or should any underlying assumption or expectation prove incorrect, actual outcomes may vary substantially from those indicated. In view of these risks, uncertainties or other factors, readers are cautioned not to place undue reliance on such forward-looking statements. Except as required by applicable law or regulation, the company accepts no obligation to continue to report or update such forward-looking statements or adjust them to future events or developments. It should be noted that past performance is not a guide to future performance. Please also note that interim results are not necessarily indicative of the full-year results. Persons requiring advice should consult an independent adviser.
