

## Jamb mounted video camera

### Description

This enhanced definition color video camera is designed to monitor the usage and traffic flow of pedestrian doors.

Its sleek, low profile design provides a discreet method for improving loss prevention and limiting liability.

The RCA video output can be seamlessly integrated into most existing video surveillance systems.

### Features & benefits

- Full color video with resolution of 480 × 720 (480p).
- Standard RCA video output.
- Wide angle lens for complete view of door and traffic flow.
- Integrated voltage regulator for installation convenience.
- Low profile design minimizes accidental damage from shopping carts and other errant objects.
- Reversible left and right mounting for application flexibility.

# Applications

## Single swing

## Dual Egress

## Simultaneous pair

## Sliding

### Technical specifications
