

PRODUCT: Cencon[®]
SUBJECT: Cencon[®] Key Maintenance Utility
BULLETIN: #040
DATE: 10/1/12

Effective October 1st, 2012, Cencon Key Maintenance Utility (KMU) Software kit will no longer be available.

The Cencon Key Maintenance Utility (KMU) Software is being discontinued and going end of life. Cencon 4 software replaces its functionality for key maintenance.

For Auditcon Software users, the 9-Pin Serial Adapter Key Reader (p/n - 201118) will still be available.
