CenBank Version 3.0 software released

The latest version of CenBank software is now available. The new version, CenBank 3.0, works with Microsoft Windows 98/2000/XP. Using CenBank 3.0 allows customers to activate the Cencon Sublocking System in Bank Mode.

To upgrade existing CenBank software, customers will need the Cenbank 3.0 Upgrade Kit. This kit includes the installation CD, with manual, the "Getting Started" booklet, and an upgrade key.

For more information on Cencon System 2000, or the Kaba Mas family of products, please contact your local sales representative or visit us at www.kaba-mas.com.
